inapiperaki@icloud.com, inapiperaki@otenet.gr,

Nationality

Hellenic

SUMMARY / PROFILE

- **Pharmacist, PhD Degree**, and a great experience in research, pharmaceutical industry, business and computer sciences.
- I am working for many years on academic research and I have a great teaching experience at University level. The outcome of this work is a series of **19 publications** in international journals as well as **23 participations in international symposia** and **many lectures**.
- I am working as an **International Business Consultant** (see "work experience" section).
- **I am successfully involved in the worldwide development** of new pharmaceutical compounds and the **pre- and post-marketing surveillance** of new pharmaceutical entities, as well as **Pricing and Reimbursement strategies**, in a multinational pharmaceutical company (*Sanofi S.A.*) **directing the Regulatory Affairs and Pharmacovigilance Departments**.
- **I established my one company**, a private business. Further, I have created a computer assisted **Pharmaceutical Care Centered**. This work gave me the opportunity to have a direct interaction with the public and to handle, on a first-degree, health care issues related to drug safety, efficacy, as well as drug monitoring and Pharmacovigilance reporting.
- **BEPA (Bureau of European Policy Advisers) of the European Commission**: Representative of a NPO within the BEPA (active participation on meetings, making presentations, lobbying and presidency of think-tank European group).
- In my career I have been always **characterized by** excellent interpersonal skills coupled with a proactive and entrepreneurial approach and thus, I can communicate to the public and build good working relationships. Based on my experience, I am capable of providing leadership for timetabling, strategic objectives, budget building and analysis, coordinating activities carried out through group; further, working with good project management flair, I can ensure that developmental timetables and objectives can be met.
- **I have excellent knowledge of French and English, as well as good knowledge of Portuguese and elementary of Italian.**
- **Excellent knowledge of Computer Programming, Social Networking**, as well as **excellent knowledge of MS Office** (word, excel, powerpoint, etc.)
- **Honors**: awards & distinctions, listed in international biographical dictionaries, university & national school awards for "Excellency".

CORE COMPETENCIES

Business & pharmaceutical industry, pharmaceutical science & research, pharmaceutical development, regulatory affairs, pharmacovigilance, personalized medicine, pharmaceutical care, sales, computer programming, foreign languages.

WORK EXPERIENCE	
Type of business or sector	Pharmaceutical Sciences - Private Sector
July 1997 – now	<p>INTERNATIONAL CONSULTANT @ OWNER OF A PRIVATE BUSINESS</p> <ul style="list-style-type: none"> • International Consultant: <i>Business Consultancy</i> ∴ <i>Strategic Planning</i> ∴ <i>Research & Development</i> ∴ Regulatory Affairs & Pharmacovigilance ∴ <i>Market Research & Feasibility Studies</i> ∴ <i>Crisis Management</i> ∴ <i>Lobbying</i> ∴ <i>Social Networks Management</i> ∴ <i>Quality and Knowledge Management</i> ∴ <i>Business Process Re-engineering</i> ∴ <i>Cluster Management</i> ∴ <i>Innovation & Creativity</i>. • Creation & Management of a private business • Establishment of a PHARMACEUTICAL CARE CENTER supported by a Computer Assisted Program of Pharmaceutical Care and Pharmacovigilance Reporting.
& Type of business or sector	Private Sector
2009 - now	<p><i>BEPA (Bureau of European Policy Advisers) of the European Commission:</i> Representative of a NPO within the BEPA.</p>
& Type of business or sector	Pharmaceutical Sciences
July 1997 – now	<p>SCIENTIFIC ASSOCIATE IN THE UNIVERSITY OF ATHENS, in the topics of Pharmaceutical Chemistry, Personalized Medicine & Pharmaceutical Care, DIRECTOR REGULATORY AFFAIRS & PHARMACOVIGILANCE, R&D DEPARTMENTS Sanofi S.A.</p>
May 1993 -June 1998	
Type of business or sector	Pharmaceutical Industry
	<ul style="list-style-type: none"> • Directing the teams of the two departments and successfully accomplishing the following responsibilities related to my job profile: • Representing the Affiliate in the <i>Corporate R&D Department</i>, participating in the <i>European and the International Decision Development Team</i> concerning the company's new products portfolio; • Quality Assurance Manager & "<i>Pharmacien Responsable</i>", for the local production plant; • Representing the company within the <i>European Medicines Agency</i>, related to procedures of drug marketing authorization licenses as well as <i>Pricing and Reimbursement</i> strategies; • Working in collaboration with the EME for the approval to conduct Clinical Trials in hospitals as well as pre-and post-marketing Pharmacovigilance procedures and reports (<i>EudraVigilance</i>); • Representing the company within the <i>National Organization for Medicines</i>; • Representing the affiliate within the "<i>United Cities & Local Governments Organisms</i>", concerning environmental safety issues related to chemical entities and residues; • Representing the company in the <i>National Organism of Industrial and Intellectual Properties</i> and within the <i>Corporate International Trademarks Department</i> ; • Directing the Regulatory Affairs & Pharmacovigilance activities in other countries in Europe.
January 1997- December 1994	<p>1. TEACHING ON THE POSTGRADUATE PROGRAM OF "PHARMACEUTICAL ANALYSIS" Division of the Pharmaceutical Chemistry, University of Athens.</p>
Type of business or sector	Pharmaceutical Sciences
	<p>General subject: "Advanced Courses on Pharmaceutical Analysis", covering the following topics:</p> <ul style="list-style-type: none"> • "Chiral Chromatography in drug analysis: Theory" • "Chiral Chromatography in drug analysis"(Laboratory lesson) • "Capillary Electrophoresis: theory and principles" • "Capillary Electrophoresis: applications in the separation of chiral drugs" <p>2. TEACHING ON THE POSTGRADUATE PROGRAM OF "PHARMACEUTICAL TECHNOLOGY", Division of the Pharmaceutical Technology, University of Athens.</p>
Type of business or sector	Pharmaceutical Sciences
	<p>General subject: "Modern techniques in pharmaceutical analysis".</p>

WORK EXPERIENCE	
January 1994–August 1994	COLLABORATION WITH THE UNIVERSITY OF YORK
<i>Type of business or sector</i>	Pharmaceutical Sciences
	Invited by the Professor Dr. David Goodall (<i>University of York – Department of Chemistry</i>) to visit his research group and initiate a collaboration study, in both Liquid Chromatography and Capillary Electrophoresis in order to produce a unified theory on chiral separations. The result of this successful and innovative project was a joint research paper, presented to the <i>3rd International Symposium on Capillary Electrophoresis</i> , and a scientific publication in the <i>Journal of Chromatography</i> . This research program was sponsored by the British Council of Athens after the submission and the approval of a relevant project.
September 1991–April 1993	TWO YEAR RESEARCH PROGRAM
<i>Type of business or sector</i>	Pharmaceutical Sciences
	Participation in a two-year research program supported by the <i>National Drug Organization</i> for the subsidy of a doctoral thesis.
January 1991 – June 1992	SCIENTIFIC TRAINING MANAGER – PART TIME JOB, Pancosmetic Hellas Ltd
<i>Type of business or sector</i>	Pharmaceutical Industry
	Organisational structuring of a Training Department: Setting up a scientific library; Creation of relevant bibliography and its monitoring; Setting up two series of lectures for the Training of Executives on scientific topics in the field of Cosmetology (see Lectures ‘section).
January 1990–September 1993	POSTGRADUATE SCHOLAR
<i>Type of business or sector</i>	Pharmaceutical Sciences
	Division of Pharmaceutical Chemistry, Laboratory of Pharmaceutical Analysis. Teaching in the “ <i>Laboratory Lessons of Pharmaceutical Analysis</i> ”.
SCIENTIFIC PUBLICATIONS	
<i>Type of sector</i>	Scientific Research – Pharmaceutical Sciences
<i>Scientific Research – Pharmaceutical Sciences</i>	<ol style="list-style-type: none"> S. Piperaki, <i>Pharmaceutiki</i>, <u>25</u>, 2013. “Academic Education and Life Long Learning: Horizon 2020 & the evolution of the pharmaceutical profession in Europe”. S. Piperaki, <i>Pharmaceutiki</i>, <u>24</u>, 2012. “The Age of Personalized Medicine : pharmacogenomics, the development of a targeted therapy”. S. ANNOUNCEMENTS

INTERNATIONAL CONGRESSES

1. **16th Pharmaceutical Symposium**, June 2013, Athens, Greece. **S. Piperaki** as invited speaker, "Academic Education and Life Long Learning: Horizon 2020 & the evolution of the pharmaceutical profession in Europe".
2. **3rd Pharmacists Meeting on Business and Communication** **S. Piperaki**. "Pharmaceutical Care Services in a post-crisis business environment", 22 January 2012, Athens, Greece, as invited speaker.
3. **14th Pharmaceutical Symposium**, May 2009, Athens, Greece. **S. Piperaki**: "Personalized Medicine and Patient-centered Care."
4. **13th Pharmaceutical Symposium**, May 2007, Athens, Greece. **S. Piperaki** and A. Tsantili-Kakoulidou: "Patient-centered Pharmacy : a new model of pharmaceutical practice based on a pharmaceutical care program."
5. **11th Pharmaceutical Symposium**, May 2003, Athens, Greece. **S. Piperaki** as invited speaker, Round Table "Pharmaceutical Care".

Scientific Research – Pharmaceutical Sciences

6. **8th Pharmaceutical Symposium**, October 1996, Athens, Greece.
K. Pistos, **S. Piperaki** and M. Parissi-Poulou:
"Determination of EDTA in paracetamol injectable solution ("Apotel")".
7. **8th Pharmaceutical Symposium**, October 1996, Athens, Greece.
V. Lambroussi, **S. Piperaki** and A. Tsantili-Kakoulidou:
"Study of the association of a series of racemic mixtures with cyclodextrins using TLC".
8. **QSAR Symposium**, September 1996, Lausanne, Switzerland.
A. Tsantili-Kakoulidou, **S. Piperaki**, I. Panteri, F. Csizmadia and F. Darvas:
"Prediction of distribution coefficient from structure. The influence of ion pair formation as reflected in experimental and calculated values".
9. **Euroanalysis IX**, September 1-7, 1996, Bologna, Italy.
S. Piperaki and M. Parissi-Poulou:
"Determination of the enantiomers of zopiclone and its metabolites in biological fluids using a β -cyclodextrin bonded phase" (*as invited speaker*).
10. **6th European Congress of Biopharmaceutics and Pharmacokinetics**, April 22- 24, 1996, Athens, Greece.
A. Tsantili-Kakoulidou, I. Panteri, **S. Piperaki**, F. Csizmadia and F. Darvas.
"Method for the prediction of distribution coefficients from structure comparison between calculated and experimental data for various drugs".
11. **19th International Symposium on Column Liquid Chromatography**, May 28-June 2, 1995, Innsbruck, Austria.
S. Piperaki and M. Parissi-Poulou:
"Enantiomeric separation of zopiclone, its metabolites and products of degradation using a β -cyclodextrin bonded phase".
12. **5th International Symposium on Chiral Discrimination**, September 25-28, 1994, Stockholm, Sweden. **S. Piperaki** and M. Parissi-Poulou:
"Solvent Selectivity in Chiral Chromatography using a β -cyclodextrin bonded phase".
13. **3rd International Symposium on Capillary Electrophoresis**, August 24-26, 1994, York, U.K.. **S. Piperaki**, S.G. Penn and D.M. Goodall
"A systematic approach to treatment of enantiomeric separations in Capillary electrophoresis and liquid chromatography. II. Influence of Cyclodextrins selector type and mobile phase composition with the enantiomers of fluoxetine and norfluoxetine".
14. **7th Pharmaceutical Symposium**, June 11-13 1994, Athens, Greece
S. Piperaki and M. Parissi-Poulou: "Chemical structure factors affecting chiral recognition and separation on β -cyclodextrin bonded phase: a study of eight different racemic mixtures".
15. **7th Pharmaceutical Symposium**, June 11-13 1994, Athens, Greece
S. Piperaki, "Capillary Electrophoresis: theory, principles and applications in the separation of drugs' enantiomers".
16. **First International Meeting on Scientific Basis of Modern Pharmacy**, June 8-11, 1994, Athens, Greece.
S. Piperaki, (*as invited speaker*), "The Future European Regulatory System and the International Harmonisation Conference".
17. **First International Meeting on Scientific Basis of Modern Pharmacy**, June 8-11, 1994, Athens, Greece.
S. Piperaki and M. Parissi-Poulou:
"Chiral HPLC: a new analytical approach in enantiomeric separations".
18. **20th International Symposium on Chromatography**, June 19-24, 1994, Bournemouth, UK. **S. Piperaki** and M. Parissi-Poulou: "Simultaneous determination of hyoscine butylbromide and acetaminophen In pharmaceutical formulation using a β -cyclodextrin bonded-phase column".

ANNOUNCEMENTS
INTERNATIONAL CONGRESSES

Type of sector

Scientific Research – Pharmaceutical Sciences

19. **Euroanalysis VIII, September 5-11, 1993, Edinburgh, UK.**
S. Piperaki and M. Parissi-Poulou:
"Effectiveness of different CDs media to enhance fluorescence chromatographic detection of Fluoxetine and Norfluoxetine".
20. **HPLC'93, 17th International Symposium on Column Liquid Chromatography**, May 9-14, 1993 Hamburg, Germany.
S. Piperaki, M. Parissi-Poulou: "Liquid chromatographic retention behavior and separation of Promethazine and Isopromethazine on a β -cyclodextrin phase column".
21. **HPLC'93, 17th International Symposium on Column Liquid Chromatography** May 9-14, 1993, Hamburg, Germany.
S. Piperaki, **A. Axarlis**, M. Parissi-Poulou:
"Determination of Haloperidol by HPLC using fluorescence derivatization with dansylhydrazine".
22. **3rd International Symposium on Chiral Discrimination**, October 5 - 8, 1992 Tübingen, Germany.
S. Piperaki and M. Parissi-Poulou:
"The use of CDs as chiral selectors for the direct resolution of the enantiomers of fluoxetine and its metabolite norfluoxetine by HPLC".
23. **5th Pharmaceutical Congress**, May 1990.
S. Piperaki, M. Parissi - Poulou and M. Koupparis:
"Applications of cyclodextrins in pharmaceutical analysis using liquid chromatography of high performance".

ORGANISATION OF
CONGRESSES

1. President of the Organisation Committee of the International Conference "*Construire l'Europe, Construire le Monde*", Athens, June 2008.
2. President of the Organisation Committee of the Euro-Mediterranean Conference "*Identification Des Différences Culturelles Qui Empêchent La Création D'un Espace Communautaire En Méditerranée*", Athens February 2006

OTHER RESEARCH ACTIVITIES

- **June –September 1991**

SCIENTIFIC COLLABORATION, with the Division of Toxicology, Medical School, University of Athens. Development of new analytical methods determining Albendazole and Mebendazole in biological fluids and in secluded echinococcus saccules, for patients who have been subjected to special therapeutic treatment and have, thereafter, been treated by surgical operation.

- **2nd International Symposium on Chiral Discrimination**, May 27-31, 1991, Rome, Italy.
- **5th International Symposium on Cyclodextrins**, March 28-30, 1990, Paris, France.
- **3rd Symposium on Mass Spectrometry**, December 7-8, 1989, Athens, Greece

EDUCATION AND TRAINING

• 28/6/1993

• Name and type of organisation

SUPPORT OF DOCTORAL THESIS: *“The use of Cyclodextrins in High Performance Liquid Chromatography (HPLC): Applications in the Pharmaceutical Analysis”.*

Department of Pharmacy, University of Athens.

The presentation took place in front of a five-Professor’s Committee,

Michalis Koupparis, Professor

George Foskolos, Professor

Maria Parissi-Poulou, Associate Professor

Anna Tsantili – Kakoulidou, Associate Professor

Aikaterini Byza, Associate Professor

which judged unanimously the prototype of the thesis and decided to award it with the grade : “Excellent”.

• Title of qualification awarded

• from November 1989
to September 1993

• Name and type of organisation
providing education and training

• Principal subjects

Doctor in Pharmacy, PhD.

ELABORATION OF DOCTORAL THESIS

Division of Pharmaceutical Chemistry, Department of Pharmacy, University of Athens.

Elaboration of doctoral thesis comprising research activity, both in the context of the inquired topic and in the broader field of Analytical Chemistry applied to Pharmaceutical Analysis.

Collaboration with the Department of Biology (in the field of molecular biology and more precisely in computer modeling studies) and the Department of Chemistry (Laboratory of Analytical Chemistry) of the University of Athens.

• Title of qualification awarded

• 1984 - 1989

• Name and type of organisation
providing education and training

• Level in national classification

• Level in national classification

Master in Pharmacy

STUDIES IN PHARMACEUTICAL SCIENCES

Department of Pharmacy, School of Health Sciences, University of Athens

Graduation Grade “Excellent”, **1st in graduation rank**).

Admission after national examination 1984 - ranked **2nd at the entry performance**.

• Title of qualification awarded

• 1983 - 1985

• Name and type of organisation
providing education and training

• Level in national classification

Computer Programming & Analysis

TWO-YEAR COURSE “ANALYSIS and COMPUTER PROGRAMMING”

Hellenic Center of Productivity

General Subject: “Program of Education of Enterprises’ and Organisations’ Executives” (12 hours weekly)

Graduation grade “Excellent” (96/100, **1st in graduation rank**).

• Title of qualification awarded

• 1984

• Name and type of organisation

French Language Teaching Licence

ACQUISITION, after examination, of the OFFICIAL LICENCE OF TEACHING FRENCH AS A FOREIGN LANGUAGE

National Council of Education (A.Π. Δ5/1562, 15/5/84).

• 1971 - 1983

• Name and type of organisation
providing education and training

• Level in national classification

BASIC EDUCATION

Greek-French School of “Ursulines” & Arsakios Elementary School

Graduation from the Greek-French School of “Ursulines” – Grade “Excellent” (19.4/20). National School Awards in 1983, 1982, 1981, 1980, 1979.

- “Biological therapy of chronic diseases. Combination of Homotoxicology and Homoeopathy. Auto-Sansuis-Therapy Neurotherapy.” **The International Society of Homotoxicology**, 28-29 May, 1999, Athens, Greece
- “Chirality”, 18 December 1995, **Division of Pharmaceutical Chemistry**, University of Athens, Greece.
- “Capillary Electrophoresis”, **5th International Symposium on Pharmaceutical and Biomedical Analysis**, 24 September 1994, Stockholm, Sweden.
- “Principles and Practice of Chiral Separations”, **20th International Symposium on Chromatography**, 19 June 1994, Bournemouth, UK.
- “Developments in Biopharmaceutics-Pharmacokinetics”, 30 May 1992, **University of Athens**, Greece.
- **5th International Symposium on Cyclodextrins**, March 28-30, 1990, Paris, France Postgraduate Seminar “Pharmaceutical analysis in Biological Liquids”, 4-30 May, 1992. (University of Athens).
- “Advanced Euro-HPLC Training Course and Workshop”, 7-10 April 1992, Patras, Greece (**COMETT**).
